5. AUTOMATED DECISION MAKING

As part of our Services to the Business Customer, we use artificial intelligence and large language models via Sidney, to assist Business Customers. The output of Sidney is advisory only. No automated decisions with legal or similarly significant effects are made by us in this respect given the Business Customer always makes the final decision which includes meaningful human intervention.

6. SHARING YOUR PERSONAL DATA

Sometimes we use third parties who are contractually engaged to provide services to us that may involve the sharing of personal data in order to provide such services. For example:

- **Companies that help us:** such as service providers who assist us with user authentication, cloud hosting and storage, mapping services and AI model providers. This is on the basis of our legitimate interests of ours and of such third party service providers, to carry out the services we have requested.
- **Our professional advisers:** including IT services, legal and accountancy services that assist us in carrying out our business activities in our legitimate interests.
- **Other companies we work closely with:** for security, assistance, improving our Services, and reporting, based on our legitimate business interests.
- **In the context of a transaction:** we may share your personal data with potential partners and other third parties in connection with the consideration, negotiation, or completion of a corporate transaction in which we are acquired by or merged with another company or we sell or transfer all or a portion of our assets or business. This is on the basis of our

legitimate interests for our business operations and the legitimate interests of third parties such as those in connection with the transaction.

- **Government authorities, courts, law enforcement, fraud prevention agencies, the police or other regulatory bodies as required by law in connection with the investigation of crimes.** This is on the basis of our legitimate interests for the establishment, exercise or defence of legal claims to protect our business or in compliance with applicable legal obligations where we believe it is necessary to comply with a legal or regulatory obligation, or otherwise to protect our rights or the rights of a third party.

7. INTERNATIONAL TRANSFERS

Although we are based in the UK, our business is global and so we may need to transfer your personal information outside the UK.

Wherever your information is transferred to organisations outside the UK, we will ensure that appropriate safeguards are in place to protect personal information as required by data protection laws. Such safeguards include: standard data protection clauses (including the UK Addendum to the EU Standard Contractual Clauses and the UK International Data Transfer Agreement), legal exceptions, adequacy decisions, recognised frameworks (e.g. the EU-US Data Privacy Framework and the UK extension to the Framework). If you are located in the UK or the EEA, you may contact us for a copy of the safeguards.
